

Business Development Manager – Education & Corporate Technology

Join our team at Futuresource Consulting, a prominent market research consultancy specialising in the technology industry. Currently, we are seeking a Business Development Manager to play a pivotal role in managing and expanding our client base within the Education & Corporate (Collaboration) sector.

Job Responsibilities Overview:

- **Sales and Growth Strategies**
 - Create comprehensive sales and growth strategies tailored specifically for the Education/Corporate (Collaboration) technology sector, with a focus on renewing and up-selling and developing new business.
 - Foster and nurture relationships with key decision-makers, including Directors, VPs, and C-level executives, within client organisations and prospects.
 - Collaborate with cross-functional teams to align product development, marketing efforts, and sales strategies, ensuring a cohesive and integrated approach.
 - Apply consultative selling techniques to understand client pain points, objectives, and challenges, and propose customised solutions that showcase clear value and return on investment.
 - Proactively identify opportunities for cross-selling and upselling to existing clients.
 - Continuously monitor and analyse sales performance metrics, refining strategies based on data-driven insights to optimise results.
- **Client Relationship Management**
 - Build and maintain strong client relationships to ensure satisfaction and loyalty.
 - Onboard new customers and provide ongoing customer service, including arranging client debriefs on all closed sales.
 - Proactively identify clients and opportunities that demand custom research proposals or unique solutions.
 - Collaborate closely with the research team to develop and present tailored proposals that address specific client needs and challenges effectively.
 - Serve as a key liaison between the client and internal teams to ensure seamless execution of custom research projects.
- **Sales Targets and Data Management**
 - Consistently achieve and surpass monthly, quarterly, and annual sales targets using a consultative, relationship-driven sales approach.
 - Assess and categorise the sales pipeline, identify prospects and growth opportunities, and strategically allocate resources to maximise sales potential.
 - Utilise Salesforce, our CRM system, to meticulously record and manage all sales-related information, ensuring data accuracy, completeness, and compliance with business standards and regulatory requirements.
 - Continuously analyse sales data, monitoring performance against targets and proactively identifying areas for enhancement and corrective measures.

- Work closely with the finance and accounting teams to ensure seamless and precise order processing, invoicing, and revenue recognition.
- Prepare and present regular sales reports and performance updates to senior management, delivering actionable recommendations and insights for improving sales processes and achieving revenue growth.
- **Industry Involvement**
 - Stay up to date with industry trends by attending industry trade shows and fostering relationships with industry partners.
 - Collaborate closely with our research and marketing teams.
 - Possess a strong understanding of the company's products and the competition in the industry.
